Santa Monica College

Solar Santa Monica's Advisory Board proudly salutes...

The City's over 300 separate solar installations on homes and businesses – systems that produce almost 2.5% of the City's power needs!

The individual visionaries who stood behind their projects until they were successfully completed.

Meet the Champions, Preferred Contractors, City Council members, and members of the Solar Santa Monica Advisory Council and staff. Enjoy refreshments and hors d'oeuvres.

6 p.m. Awards Ceremony !

Celebrate our Solar Champions
